About TLC:

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha (Deemed to be University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of MHRD, Govt. of India**. This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the established TLC is to prepare Teachers, Teacher Educators and Researchers for empowering them to address the needs for designing, implementing and evaluating teaching-learning systems in the field of Language Education especially Sanskrit. **The centre has been identified in the list of 30 new centres (IInd phase) for conducting one month mandatory Faculty Induction Programme (FIP) and also notified as National Resource Centre (NRC) for ARPIT-2018 & 2019 courses in the discipline Sanskrit by MHRD.**

Backdrop:

The 21st Century Education is marked by distinct paradigm shifts viz from Teacher to Learner Centric approaches, Passive reception to Active participation in learning, Disciplinary to Multi-Disciplinary focus, Learning within the four walls of classroom to that in social context, stable designs to flexible processes in teaching, behaviourist to constructivist approach etc. Consequently, the education at all levels ranging from primary to tertiary has to be responsive to these paradigmic shifts. Thus, a critical need emerges to revitalize our pedagogical practices which can be addressed by constructivist approach and its teaching strategies. Constructivism is relatively a new paradigm which takes into account the subjective, contextual and pluralistic nature of knowledge. In this paradigm role of teacher shifts from transmitter to facilitator of knowledge whereas that of student from knowledge acquisition to creation. In this backdrop, a 10 days national workshop has been organized on constructivist lesson planning and teaching strategies for promoting constructivist culture in the classrooms.
