1. The information with respect to all the Academic and Non-Academic programmes should go to Internal Quality Assurance Cell to prepare the AQAR in a timely manner for the respective years. Presently this information is not received by the cell within the scheduled timeframe.
2. The website of the Vidyapeetha should be upgraded at regular intervals so that the stake holders may get the desired up-to-date information conveniently. Further, Virtual Class Room Facility should also be started and proper window should be created in the website of the Vidyapeetha for the same.
3. All the teaching programmes should be recorded and some sample lectures of the class room teaching should also be recorded to improve the teaching standards. It is also necessary to use these recordings to teach students in class room.
4. The information with respect to the prize/award won by the teachers of the Vidyapeetha should be given to the Internal Quality Assurance Cell. The

information with respect to the placement of the students of the Vidyapeetha should also be given to the Internal Quality Assurance Cell. To collect these types of information there should be proper provision on Vidyapeetha web site.

6. For research scholars of this Vidyapeetha, there must be well equipped modern class rooms with needed research facilities to improve the research at par with international standards.
7. At least one news letter must be published by each faculty at starting level and chief editor of this proposed news letter or bulletin may be the respective Dean. In future, these types of activities may be started at the departmental level also.
8. The cell members also suggested that the observations of the NAAC team should also be discussed accordingly and those points should be mentioned in AQAR report 2012-13 which have been fulfilled along with those which have not been along with the reasons.

The Vice-Chancellor, concluding the discussion, assured the respected members that ICT facilities should be given to all the teachers and further it should be the duty of the individual teacher to inform the IQAC about his personal achievements including the information with respect to the prize/award won.

The Vice-Chancellor also expressed happiness that the Vidyapeetha is seriously trying to fulfill the expectations of the last NAAC team and the remaining things which are not fulfilled till yet regarding the observations and suggestion of the NAAC Committee should be implemented at the earliest.
