Backdrop

We all know that Indian Knowledge System represents a very comprehensive & vast corpus of knowledge pertaining to all domains and areas of disciplines. The aim of this knowledge system is complete realization & liberation of the Self. Even Higher Education Institutions of Ancient India like Takshashila, Vikramshila, Nalanda etc. had set the highest world class standards of multidisciplinary teaching, learning & research. In addition to this, it had produced great scholars like Charak, Aryabatta, Sushrut, Chanakya, Panini etc. who made significant contributions in diverse fields of disciplines. This knowledge system comprises of highly specialized knowledge in the form of Shastras which has a relevance & implications not only to the multiple specific disciplines but also for addressing future challenges. Consequently, the vision statement of NEP 2020 incorporates & advocates Indian Centric Education for ensuring quality education. In keeping view the significance of such specialized knowledge a 12 days residential Refresher Course is been organized with an intent to give insight in Indian Knowledge System through various Shastras & its implications to the global corpus of knowledge.
