About TLC

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India.** This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the centre is to develop skills and competencies of teachers and teacher educators associated with language education especially Sanskrit for designing, developing, implementing and evaluating teaching-learning systems. **The centre has been identified in the list of 30 new centres (IInd phase) for conducting one month mandatory Faculty Induction Programme (FIP) and also notified as National Resource Centre (NRC) for developing online Annual Refresher Programme in Teaching (ARPIT-2018, 2019 & 2020 courses) through SWAYAM in the discipline Sanskrit by Department of Higher Education of Ministry of Education, GOI. In addition to this, the centre has published two handbooks for teaching Sanskrit one at upper primary level and other at secondary level.**

Backdrop

As a result of COVID-19 pandemic outbreak, all the educational processes are forced to go in a digital mode in general and teaching process in particular. In this prevailing scenario, the use and integration of technology in teaching, learning and assessment processes has become the necessity for interacting, collaborating, sharing, distributing & managing knowledge. Thus, the role of ICT becomes quite significant as it provides platform for quality teaching and facilitates sharing of learning material through its intelligent use of various tools and softwares. This all requires sound knowledge & skill of using ICT which will not make our teaching & learning more meaningful and joyful but assessment as well. Since it the only safest way to keep us well connected and to keep our teaching going hence it becomes pertinent to be digitally aware and digitally competent. In this backdrop, 5 days online National workshop has been organised with an intent to promote skills and competencies for using and integrating ICT in our teaching, learning and assessment processes.

Objectives

The objectives of this workshop are:

- to familiarise the participants with various ICT tools & softwares used in teaching and assessment.
