NOTIFICATIONS

Dear Users,

The consignee can manually generate the Service Delivery Acceptance Certificate (SDAC) at any time within the stipulated period displayed while processing the invoice on the Service Orders. If the consignee does not take any action on the invoice, either processing or rejecting it within this period, the system will automatically initiate an SDAC. The consignee then has an additional 3 days to modify or reject the system-initiated SDAC. After this period, the Final SDAC will be generated, which cannot be modified, and the entire invoice amount will be considered the SDAC amount.

Dear Buyers,

Please be informed that numerous bids dating back to 2018 are still pending in the GeM system. It is requested to conclude these bids by either awarding or cancelling them, ensuring that reasons for cancellation are duly recorded, no later than 30th July 2024. Bids having opening date on before 31st December 2022 not concluded by 30th July 2024 will be cancelled without further notice by GeM. Once cancelled by GeM, these bids will no longer be available for further action by buyer. Therefore request attention and action on this matter.
